

WRENCHES

RIDGID® Pipe Wrenches are world-renowned for their unsurpassed toughness and serviceability. The original heavy-duty pipe wrench, pictured below, has earned the confidence of pipe professionals for over 80 years because it does the job right the first time, every time. RIDGID Pipe Wrenches are also available in a wide variety of purpose-built configurations, and are available with cast aluminum handles that offer an average 40% weight reduction.

Full floating forged hook jaw for fast ratcheting action.

Knurled adjustment nut for easy one-handed operation.

Graduations on hook jaw show approximate size of opening for different pipe sizes.

Extra large self-cleaning threads.

Wide gripping surface for increased comfort.

Replaceable, twice hardened alloy steel jaws. Precision-milled, biased tooth design maximizes gripping strength and tool life.

Large flange prevents nut from being inadvertently rotated when wrench is set down.

I-Beam handle allows for maximum strength and minimal weight.

Convenient hanging hole for easy storage. Enlarged handle end helps prevent slippage.

RIDGID Lifetime Warranty.

Proudly manufactured at RIDGID headquarters in Elyria, Ohio, U.S.A.
